According to OCI: The agent list was created to provide a resource to county income maintenance employees and other community organizations working with individuals ineligible for Medicaid but who may be eligible for federal premium tax credits and cost-sharing subsidies through the federally facilitated exchange (FFE). Agents on this list have agreed to help this population enroll in private health insurance coverage through the FFE. This list does not represent an exhaustive list of licensed agents available to assist individuals interested in purchasing coverage on the FFE.

Disclaimer: As of December 17, 2013 the agents included on this list are licensed with the state of Wisconsin and have completed a four-hour continuing education class focused on the Wisconsin BadgerCare Plus program. The Wisconsin Office of the Commissioner of Insurance does not endorse any specific agent and is not responsible for the actions of the agents included on this list. To verify an agent's license status, go to <https://ociaaccess.oci.wi.gov/ProducerInfo/PrdInfo.oci>.

The MKEN is a public/private consortium of over 100 provider and community-based organizations dedicated to reaching out and enrolling Milwaukee residents in public health benefits or private insurance via the federally facilitated Marketplace. The goal of MKEN is to secure adequate and affordable coverage for Milwaukee residents and reduce the uninsured rate in our community.
