

Milwaukee Area Qualified Health Plan Networks in the 2018 Marketplace

When you pick your insurance plan, be sure to check if it includes the doctors, clinics and hospitals you use or want to use. If you use providers that are not in your insurance's network, you might pay more for your care.

This chart shows which provider networks are part of each plan. If you need a specific provider, be sure to check the plan's provider directory.

Health Care Provider Networks

Last updated October 2017		Aurora Health Care	Children's Hospital of Wisconsin	Columbia St. Mary's	Milwaukee Area Community Health Centers	Froedtert Health System/MCW	Independent Physician Network	Procure Medical Group	ProHealth Care	Wheaton Franciscan
