## LEVELS OF ENGAGEMENT

The Milwaukee Health Care Partnership's annual plan advances its mission through:

- initiatives that it directly **sponsors** and leads
- programs led by other organizations in which it **participates**, and may provide financial or in-kind support
- activities led by others that it **monitors** and may influence, for improved health outcomes and policy advancement

## FINANCIAL SUPPORT

In addition to members' operational support, the Partnership leverages and aligns funding to advance its priorities of coverage, access, care coordination and community health through:

### Shared Community Investment Fund (SCIF)

Strategic investments with community partners, supported by annual health system contributions. The SCIF represents health systems' pooled resources in addition to their individual community benefit commitments.

### Health Improvement Fund (HIF)

A United Way of Greater Milwaukee and Waukesha County designated fund that supports organizations providing health care and enabling services for low-income, underserved populations in Milwaukee county, with the aim of improving health outcomes and reducing disparities.

### Extramural Funding

Grants secured by the Partnership from foundations and corporations that support its sponsored programs, such as medication assistance, health information exchange and enrollment outreach/education.

## MEMBER ORGANIZATIONS

### Health Systems:

Ascension Wisconsin  
Aurora Health Care  
Children's Hospital & Health System, Inc.  
Froedtert Health

### FQHCs:

Gerald L. Ignace Indian Health Center
